

Notification: Reconstruction of Putnam Triangle Construction Above and Next to MTA Subways

The New York City Department of Design & Construction (DDC) reports the lack of any visible activity at the Putnam Triangle site is A result of ongoing discussions with the MTA regarding finalizing.... *"the sheeting technique that the contractor plans to use when they are working underground above and next to the subway to do the infrastructure upgrades that are part of the project."* According to DDC, *"This has unfortunately caused a delay."*

The most recent NYC/DDC "Weekly Construction Bulletin" projected "No work scheduled" for the week of June 4, 2018.
